KRAMP

Why Choose Kramp Tools?

Made To Last

As a Farmer you have to be prepared for the unexpected all day long: repairing machines, mending fences, sealing leaking troughs and many, many more jobs around the farm. The Kramp range of universal high quality tools meet all your needs in terms of functionality, ergonomics and durability. Kramp hand tools are made to last. Day in, day out for years to come. Think of tools like multiple socket sets, complete range of wrench sets (adjustable or fixed), pliers, hammers and screwdrivers. Tools suitable for both 'light' and very 'heavy' jobs!

Kramp tools are subject to stringent quality testing during and after production. These checks mean that you can have full confidence in the tools as they come with excellent warranty conditions. Kramp hand tools are made to last.
